### REGISTRATION INFORMATION

Registration of an Individual Cat: Each Application for registration must be accompanied by:

1. A minimum of a 3-generation Certified pedigree from another association on the cat for which application is being made and a photocopy of a registration certificate from that association showing proof that the cat is owned by the person making the application and asking to be named the owner of the cat.

**OR**

2. A minimum of a 3-generation pedigree, stating the color and pattern and the registering association's assigned registration number, for each ancestor listed. This pedigree **must be signed by the breeder of the cat** for which application is being made and must include a statement that this pedigree is true and correct to the best of the breeder's knowledge; the breeder must checkmark NOT FOR BREEDING or NOT FOR SHOWING if those statements apply. In addition, a photocopy of a registration certificate from another association or a bill of sale showing proof that the cat is owned by the person making the application and asking to be named the owner of the cat.

**NOTE: Breeder's Signature is required to individually register a cat. Breeder is defined as the owner of the dam at the time of mating.**

3. The owner's name, address, and city are not allowed in the name of the cat unless it is a TICA registered cattery. The names of cats may not be changed in any manner after they have been registered, except for the correction of clerical errors in the Executive Office; the addition of a cattery name as provided in ARTICLE EIGHT of the Registration Rules; to re-register as Household Pets, TICA registered championship class cats pursuant to the Show Rules 23.7; or pursuant to the Registration Rules, ARTICLE NINE, Section 39.4.3. Names of cats and catteries may not be duplicated. Punctuation marks of any kind (&, ', #, etc.) are not allowed in the name of the cat. Cats may not be named after an ancestor without written permission of the owner of the ancestor; a letter attesting to such permission is to be filed with the Executive Office. See Registration Rules, ARTICLE NINE. A cat's name, including cattery names and the word "of" (before a suffix) may not exceed 35 letters/characters/spaces combined. When the name of the cat is longer than 35 letters/characters/spaces, the suffix will be automatically dropped. Type or print the name of the owner (may not exceed 35 letters/characters/spaces) of the cat and complete address, city, state/country, and zip/postal code.

4. Where extenuating circumstances (i.e., death, repossession, etc.) are involved, application with applicable documentation will be considered on an individual basis by TICA's Executive Office.

The sire and/or dam may be individually registered at the same time a litter is registered with TICA.
